CAD Technician

Company Profile

Established since 1978, and we provide award winning architectural joinery for leisure, commercial, industrial, and domestic applications for clients in Ireland and abroad.

Glenn Wood's passion for perfection and a strong design culture combine to produce interiors and furniture to suit a range of styles. Using cutting edge technology, our team of experienced craftsmen and a progressive customer service ethos, has elevated Glenn Wood to the forefront of its industry.

We work with numerous materials and this enables us to provide a Turn-Key Service from design to manufacture and fit out of a project.

Job Spec

Glennwood Tullamore are currently seeking applicants for the position of CAD Technician. The successful candidate will be required to produce drawings, cutting lists etc using both Autodesk AutoCAD and Autodesk Inventor.
